

Invitation to the CEEMS AG Meeting

Dear Colleagues,

As CEEMS Advisory Group (AG) Chairperson, I would like to invite the Members of the AG to the CEEMS AG meeting, which will be held in conjunction with the 53rd CIML Meeting in Hamburg, Germany, on Tuesday 9 October 2018 at the Radisson Blu Hotel.

The AG meeting has become more official since OIML B 19 *Terms of Reference for the Advisory Group on matters concerning Countries and Economies with Emerging Metrology Systems (CEEMS)* was approved by the CIML at its 52nd meeting in 2017.

The AG will discuss relevant issues concerning CEEMS and draw up a plan of action. It will then provide feedback to the CIML.

This year's AG meeting is very important because we will be discussing a number of key issues for the future development of the AG, such as renewing CIML Resolution 2015/10, revising various OIML Documents, discussing the strategy of the OIML Training Centers (OTC), surveying and analyzing CEEMS' needs, providing a database of experts, etc.

It will be highly appreciated if all the AG members can attend the AG meeting and contribute their ideas and proposals, and I therefore hope that as many of you as possible will be able to be present.

I am certain the AG meeting will once again generate a very fruitful outcome.

Best regards,

Pu Changcheng
CEEMS AG Chairperson
